You said I do!

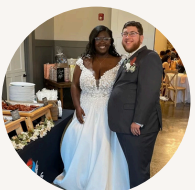

Now let us do the work

I knew I needed one less thing to worry about when planning our wedding, which meant I needed a reliable, well-oiled machine in a caterer and when I say I made the best decision by choosing Roosters, I mean they didn't just meet my expectations... they exceeded them.

The whole experience was amazing!!! It was easy to communicate & decide the menu and then they came out ahead of time to see where we wanted the truck to park, that way the day of I wasn't needed for anything! The set-up was amazing as well and the staff was so friendly!!

They were right on time. We didn't have to worry or bother with anything. The food was made fresh once they arrived. The guests loved it and commented on it a lot. They cleaned up and boxed up extras for us and left. The staff was very cordial and complimentary to our guests. The display was also very professional and beautiful for our wedding.

I highly recommend them!!
